## **CSIR-IHBT Invites Expression of Interest (EOI)**

**for**

### **“Mini Distillation Unit Herbostill™”**

CSIR-IHBT invites expression of interest (EOI) from interested parties from Industries / SMEs / Progressive Entrepreneurs for Mini Distillation Unit Herbostill™. Some of the Salient Features are as:

- The qualitative and quantitative yields of essential oils are better than glass Clevenger type apparatus.
- The present development overcomes all the difficulties being faced in industrial scale units, and laboratory apparatus & processes.
- The unit is indigenously developed, portable, eco-friendly, easy to operate, flexible, more durable, inexpensive, sturdy and versatile design.

The application should include details of company profile and marketing strategies. The selected parties shall be called for discussions.

Interested parties may send their Expression of Interest in a sealed cover superscripting “Expression of Interest” addressed to

**The Director**
